MERITS

Katherine's natural talents and unique characteristics.

Might

Prerequisites: At least 1 dot in Potence.

You possess superior strength, outlifting even the most well-conditioned mortal bodybuilder. You gain a bonus to non-conflict Strength tests equal to your dots in Potence.

Activation. When you make such a test, you can activate this [merit] as a reaction for a basic success.

CLAN TRAITS

Katherine's supernatural talents, inherited from her blood.

Prowess

Prerequisites: Neonate or stronger. At least 2 dots in Potence.

When you hit with an unarmed attack or a light melee weapon attack, you add your dots in Potence to the damage you deal.

Spark of Rage

Prerequisites: Neonate or stronger. At least 1 dot in Potence and at least 1 dot in Presence.

You can easily stoke anger and violence in others. When you make a test, or use a power that requires a test, to rile up or incite an individual or crowd to anger or violence, you gain a bonus to the test equal to your dots in Potence. You also gain this bonus to any tests you make that would force another creature to frenzy.

Activation. When you make such a test, you can activate this [trait] as a reaction for a basic success.

NATURE

Katherine's nature, the mortal impulses at her core, and its associated outburst.

Bravo

As a Bravo, you believe in the rule of the strong over the weak, and you make sure you are the strongest in the room. You use your powers to push others around, and you have no qualms about it. If they want respect, and a chance to act on their own, they must prove they are strong enough to stand against you.

Indulging. You use your strength and powers to make others fear and obey you. You prey on the weak, teaching them the lesson you think they need. You challenge others to prove your strength and dominance over them.

Bravo Outburst: Rule of Might. You are the strongest one here, and you will make them obey, even if it means you have to beat them into submission. You can't use Social or Mental Discipline powers, and you must use force to make others obey you, fear you, or bow to you. You gain a dice bonus equal to your generation modifier to tests to subjugate, attack, intimidate, or otherwise act aggressively against the strongest individual you can see. All your other actions suffer a dice penalty equal to twice your generation modifier.

CLAN ASPECTS

Katherine is part of the Brujah vampire clan, which comes with great power but also a curse.

Clan Beast: Anti-Authority

The Beast inside you demands that you challenge authority and break the rules that bind you. You satisfy it by challenging leaders, disobeying orders, destroying symbols of authority, and any other action that defies or sabotages structures of power and hierarchy.

Curse: Boiling Passion

Your blood simmers with fiery passion. You laugh louder, cry harder, and rage longer than other vampires, your every emotion bubbling just beneath the surface, ready to burst. This deeper connection to your emotions leaves you more vulnerable to frenzy. When you attempt to resist a frenzy, the Difficulty increases by an amount equal to your generation modifier.

Frenzy: Rebellion

When you frenzy, you act against whatever or whomever you see as an authority figure in the scene. This act can be as simple as refusing to do what you were sent there to do, or as elaborate as actively trying to undermine an authority figure, such as urging a crowd to heckle the person giving a speech. All your other actions suffer a dice penalty equal to your generation modifier.

Discipline Powers

Katherine’s Disciplines are Fortitude, Potence and Presence, which give her access to unique powers.

FORTITUDE

Endure

1-dot Physical Fortitude

ACTIVATE	ATTRIBUTE	COST
Minor action	Stamina	1 Vitae
DIFFICULTY	DISTANCE	DURATION
None	Self	One scene

Your supernatural endurance makes you more resistant to physical exhaustion, letting you keep going when others would collapse. You gain a +2 dice bonus to tests to resist the Tired and Exhausted conditions for the duration.

MATURING

Once you have more than 1 dot in this Discipline, you can use this power in new ways:

- :You don’t experience the Starving aspect of the Hungry Vitae threshold.
- : You are immune to the Tired and Exhausted conditions.
- : If you are reduced to 0 Vitae, you don’t enter torpor. While in this state, you can’t spend Vitae on Discipline powers, and any damage you take becomes baneful damage.

POTENCE

Imprint

1-dot Physical Potence

ACTIVATE	ATTRIBUTE	COST
Minor action or reaction	Strength	1 Vitae
DIFFICULTY	DISTANCE	DURATION
None	Self	One turn

You call on your superior strength to dig into a solid surface and steady yourself. To activate this power as a reaction, you must be the target of an effect that would move you against your will. For the duration, you can curl your fingers or toes into a solid surface, even steel, and gain a dice bonus equal to your dots in this Discipline against any attempts to move you.

MATURING

Once you have more than 1 dot in this Discipline, you can use this power in new ways:

- :While this power is active, you can also climb vertical surfaces and even upside down on ceilings (provided the surface can hold your weight), leaving a trail of tiny imprints. In addition, the power now lasts until the end of the scene.

Earthshock

2-dot Physical Potence

ACTIVATE	ATTRIBUTE	COST
Action	Strength	2 Vitae
DIFFICULTY	DISTANCE	DURATION
Stamina	Short	One turn

You slam your fists on the ground, using your tremendous strength to send the force of the blow travel through the surface until it reaches a target within range that is also in contact with that surface.

When you activate this power, make a Power test against the target's Stamina. The target must be within range and touching the surface you struck. On a success, you inflict damage equal to your dots in this Discipline, and the target is knocked prone. This power leaves physical evidence of its passage, such as causing earth to crack, glass to shatter, wood to warp, or tiles to snap.

MATURING

Once you have more than 2 dots in this Discipline, you can use this power in new ways:

●●●●: The attack can affect a number of targets within range equal to your dots in this Discipline, but the damage inflicted is equal to half your dots in this Discipline.

●●●●●: The attack can affect all creatures within range, but the damage inflicted is equal to half your dots in this Discipline. You can exclude a number of creatures equal to your dots in this D

PRESENCE

Awe

1-dot Social Presence

ACTIVATE	ATTRIBUTE	COST
Minor action	Charisma	1 Willpower
DIFFICULTY	DISTANCE	DURATION
Composure	Short	One scene

Your presence awes those around you, amazing them, inspiring them, or striking them with trepidation. When you activate this power, choose whether to awe, inspire, or menace, producing one of the following effects for the duration. At the start of your turn while this power is active, you can spend 1 Willpower to change the effect. The effect is centered on you and moves with you.

- ♦ **Awe:** You gain bonus dice equal to your dots in this Discipline to Social tests involving Expression or Persuasion against hostile targets within range.
- ♦ **Inspire:** Each friendly target other than you within range gains bonus dice equal to half your dots in this Discipline to social tests involving Expression or Persuasion.
- ♦ **Menace:** Choose a number of hostile, non-animal targets within range equal to twice your dots in this Discipline. Make a Power test against the Composure of the strongest target. On a success, each target suffers a dice penalty equal to half your dots in this Discipline to social tests to resist Intimidation and on tests to resist effects that inflict the Scared or Terrified condition.
